Our Treasurer, Dianne Duke, recently attended a public workshop hosted by the Trinity Park Conservancy. The workshop focused on the development progress of Harold Simmons Park as the Conservancy seeks public input and ideas on the design of the Park. This will be a 200-acre park in the Trinity River Corridor between the Margaret Hunt Hill Bridge and the Ronald Kirk Bridge.

The Conservancy is seeking input from our Club members. If you have comments/ideas, a survey is available at: <https://bcworkshop.typeform.com/to/peIiit>; the Conservancy website is: TrinityParkConservancy.org.
