THANK YOU, DONNA!

Donna Hall is stepping down from her position on our Board of Directors and we will miss her!

Donna has been our 2nd Vice President since January 2014.

Her duties included overseeing our year-round and seasonal events, coordinating changes and registration for those events with their respective walk directors, reporting participation numbers to AVA on a quarterly basis, and ensuring our year-round events are re-sanctioned each year. Job well done, Donna!

BIGGIVE 2020

As you all know, walk events throughout the country have been severely curtailed this year. Our parent organization, America's Walking Club (aka AVA or the American Volkssport Association), depends on revenue from these events to provide leadership, policy, advertising, web presence, communications, club liability insurance, and member achievement awards. Our club would not exist without them.

AVA has reduced expenses and secured a Payroll Protection Loan, but they still need our help to offset their losses. The Dallas Trekkers are in satisfactory financial condition and your Board of Directors has authorized a small donation to AVA. In addition, several board members have made personal donations through BigGive.

Do you like to walk? Do you like your club? Please consider a small donation to AVA on September 10 BigGive day: <https://www.thebiggivesa.org/organizations/american-volkssport-association-inc>

PRESIDENT'S MESSAGE

Deborah Carter

If you're comfortable, come on out and join us in DeSoto in September and University Park in October. We'll have hot dogs in DeSoto and tricks and treats for Halloween. We'll have hand sanitizer and disposable gloves at registration and ask that you wear your mask and social distance at start and finish.

I appreciate all the years Donna served as a board member. She's been an important part of the team!
