

SPECIAL PROGRAMS

“Walk With America’s Veterans”
An America’s Walking Club Special Program

America’s Walking Club (AVA) authorizes special programs to challenge us and add enjoyment to walking events. Some of these programs are walking all the states and capitols, walking 100 events a year, and walking the Appalachian Trail. Walkers purchase a special booklet, record their events, and receive a pin, patch, or other recognition when they complete the program. Anyone can participate. You don’t have to be currently tracking your events and distance.

The Special Program pictured above with its awards, runs from January 2021 through December 2023. “Airports – Celebrating American Flight”, for which our Bachman Lake event qualifies, currently runs through December 2022. For information about all current Special Programs: <http://cb.ava.org/specprog.php>. For programs that start next year: <http://cb.ava.org/futureprog.php>.

WELCOME, MARK!

Mark Wegmann is our new 2nd Vice President, having joined our Board in October. Mark will oversee our year-round and seasonal events, coordinate

activities with the respective walk directors, complete AVA reporting requirements, and help the Board plan and carry out future walk events.

He enjoys fly fishing, painting, kayaking, cooking, and beer and brats. Mark and his wife, Becky, have been club members since 2010.
