PRESIDENT'S MESSAGE

Deborah Carter

Traditional Events (our 1-day Saturday walks) were once the backbone of our Clubs. It is how the clubs started and grew: discovering new places to walk, meeting new people, seeing friends, and enjoying each other's company. We all know that walking and socializing is healthy for the body, the brain, and for longevity. We put our hearts and "soles" into finding the best new routes to pique your interests. Bring someone with you to these events (a cousin, a friend, a co-worker) and **share the walk!**
